

Walk for the Cure 2026

Sponsorship Opportunities

Dear Partner:

CIBC Caribbean's Walk for the Cure 2026

We are excited to inform you that the 2026 CIBC Caribbean Walk for the Cure will take place on Saturday, October 3, 2026, on New Providence, Grand Bahama, Abaco and Eleuthera.

On April 10, 2026, we officially launched our 2026 Walk for the Cure season and donated \$83,000 to cancer care organizations throughout our Bahama Islands. These organizations provide the invaluable support to those who have cancer or their caregivers, through donations and fund-raising initiatives like our walk.

Walk for the Cure has become a pillar for these cancer care organizations and those they support through the generous donations and collaboration of our partners.

We are inviting you to join us in our fight against cancer. All proceeds from Walk for the Cure will be donated to cancer care organisations across the country again this year. Our goal is to double our donations, and we can only do that with your partnership. Please see below the various sponsorship opportunities and the benefits to your organisation:
